Present address: 1048 Glen Edythe Bay Front

Dear Frederic J & Mary Washburn:

Our office has a standing request from Monroe County's Emergency Communications Department to correct addresses used among the residents in your neighborhood near Sunset Trail. There is inconsistent usage of the private road name, *Sunset Trail*, and the use of an unapproved road name, *Glen Edythe Bay Front*. For emergency responders to quickly locate a person in need, consistent and legal use of the official road names must be enforced. Please be advised that, after careful consideration, the Town has decided to re-assign the addresses in this area.

Our records indicate that you own property along this stretch of roadway as identified above and highlighted on the enclosed copy of a portion of the tax map.

**Effective immediately your new address is:**  
**1048 Sunset Trail**

On your behalf, our office will notify the utility companies, the United States Post Office at Webster NY, all emergency services agencies, local and county government offices, including the voter registration department. It is your responsibility to change your personal records, such as your financial records and personal contacts. **Please retain a copy of this letter with your other important documentation as proof of this change. Your property deed(s) and abstract(s) may reflect the prior address reference, if so referenced. This letter may be helpful in transferring your property title at a later date.**

If you have any questions, please do not hesitate to contact me at the above phone number.

Sincerely,

Donna M. Komor, IAO
