## **TIPS FOR APPLICANTS**

Requesting an approval for a project before the Town Board requires the applicant to provide as much information as possible. It is recommended that the owner/contractor bring the appropriate representatives to answer questions from the Town Board. The following are tips to help in your presentation.

1. Dress appropriately. Applicants shall meet business or business casual attire out of respect to the Town Board.
2. Be on time! Town Board Workshops begin at 5:30 PM and Town Board Meetings start at 7:30 PM.
3. Speak clearly and use the microphone. Get as close as possible to the microphone so all can hear you. Be sure introduce yourself, your company, and who you are representing. Be prepared to answer any questions from the Town Board.
4. Provide visuals. The room is large. Visuals should be clear and easy to see, especially for the Board members and the public. Color drawings are encouraged.
5. Be respectful to the Town Board, staff, and citizens in attendance.

At the completion of the presentation, the Town Board will make their decision regarding the project. You will receive a letter in the mail outlining the Town Board's decision and condition(s) of approval.
